Dear Mr. Levi,

I was informed by Mr. Schumann about the important contribution you gave to EPCOS do Brasil Ltda, with your recommendations, in the improvement of the arc welding process.

I would like to thank you for your help so far.

Considering that we need to continue to improve the quality in this process and that we have new goals to achieve at our final customers, I sincerely hope that you continue advising us in the near future, taking in account the successfully partnership with EPCOS do Brasil Ltda until now.

Best Regards

Dr. Edmund Fischer
